

Invite your AU colleagues –
CBIO is not a closed club

CBIO summit 17-18 May 2022

The CBIO Summit 2022 in Silkeborg is for all affiliates of Aarhus University Centre for Circular Bioeconomy and others with a curiosity from AU. CBIO has promoted AU skills and research facilities within utilisation and recycling of biological resources towards the society – industry, farmers, municipalities, national and EU authorities and NGO's. Now it is time to look into developing and broadening our internal competencies, and to organize us in relation to other interdisciplinary centres at AU. We have composed an exciting program – but most importantly, we want YOU to participate with your ideas and questions for developing collaboration across AU departments and expertise. Day one is for everybody, while day two is reserved for junior scientists.

REGISTER NOW – OR BEFORE 1 MAY ON: <https://events.au.dk/cbio2022/signup>

Interested in becoming affiliated with CBIO (www.cbio.au.dk)? Email Margrethe Balling Høstgaard (margrethe.hostgaard@dca.au.dk).

Program 17 May

- 09.30-10.00 Arrival and coffee
- 10.00–10.30 What is [CBIO](#), and how can we benefit from each other? *All CBIO Platform leaders*
- 10.30-11.00 The R&D on green & blue biorefining - one of CBIO's flagship technologies – and its first commercial implementation, *Morten Ambye-Jensen, AU and Vagn Hundebøll, [BioRefine Denmark](#)*
- 11.00-12.00 One Minute Madness presentations from participants – pitch your favourite research topic
- 12.00-12.45 Pick your research pillar: more specific discussions within separate research topics
- 12.45 -13.45 Lunch (exhibitions – posters 7 x pitch from 13.15)
- 13.45-14.45 Ideas for broader collaboration and new projects brought up from the separate topics or from your own mind basket
- 14.45-15.30 Funding opportunities for the circular bioeconomy: *Thomas de Bang, [novo nordisk foundation](#) and Anne Mette Langvad, [Klimafonden Skive](#)*
- 15.30-16.00 Coffee
- 16.00-16.30 "Life Science Startups"
Research upside down, *Esben Rimi Christiansen, [Pure Algae](#)*
Making the wastewater sector circular, *Jesper Minor & Niels Mikkelsen [Nordphos](#)*
- 16.30-17.00 New business opportunities based on CO2 credits and green fuels, *Peter Lindholst, [Stiesdal Fuel Technologies](#)*
- 18-20 Dinner
- 20-20.30 The research plans for the NNF-funded AU CO₂ centre – cooperation interfaces with CBIO, *Alfred Spormann [CORC](#)*
- 20.30-21.00 The research plans for the Pioneer Centre Land-CRAFT (Center for Landscape Research in Sustainable Agricultural Futures) – cooperation interfaces with CBIO, *Klaus Butterbach-Bahl*

Program 18 May - for AU junior scientists

06.30 - 09.00 Breakfast

09.00 - 10.00 Welcome & “get to know each other” activities

Coffee break

10.15 – 11.00 “A sustainable bioeconomy and the Green Transition: Scenarios and Perspectives for the EU 2050” by *Scientific Director Uwe R. Fritsche, IINAS* ([Fritsche - IINAS](#))

11.00 – 11.30 Group work: “the 20 mill € project”

11.30 – 12.15 Lunch

12.15 – 13.00 Group work continued

13.00 – 14.00 “Being an interdisciplinarian – why it is important, and why it is challenging” by *Professor Hanne Andersen, KU* ([Hanne Andersen](#))

Coffee break

14.15 – 14.45 “Speed dating”

14.45 – 15.30 Wrap up: Feedback, how to strengthen our collaboration, future plans

Feel free to share the invitation within AU.

REGISTER NOW – OR BEFORE 1 MAY ON: <https://events.au.dk/cbio2022/signup>

Venue: Vejlsøhus Hotel & Conference Center, Vejlsøvej 51, 8600 Silkeborg
